

# Seth Boyden PTA After School Enrichment 2008-2009

## Parent/Student Contract

The PTA offers its After School Enrichment program as a service to the Seth Boyden students and community. All instructors, proctors, and other PTA volunteers have committed and will continue to commit time and energy into making these classes both educational and fun. The success of the program depends on each and every adult and child in the program being treated with respect in order to create an enriching and enjoyable environment for all. Any problematic behaviors will be addressed with the child and brought to the attention of the child's parent/guardian at pick-up time or by phone. *Continued disruptive or disrespectful behavior or late pick-ups will result in the child's **removal** from the program.*

My child and I have read the above statement together and we understand that it is my child's responsibility to help maintain a positive environment through respectful and cooperative behavior.
